

MIRA 59" solid surface bathtub B-OV59FS-03

 **B E M M A**

This sleek and minimal free-standing bathtub features elegant curves, a deep and spacious bathing well, and a center offset drain. Stylish and graceful, sturdy yet expertly crafted, the Mira soaker is luxurious and functional for the more space-conscious bathroom. The Mira is made from BEMMA's ecologically friendly green good-designed stone composite BiO material.

Solid Surface Bio Resin

Resist scratching
