

Complete your Bertazzoni kitchen with this practical Over-The-Range microwave hood.

Manage the microwave by selecting power and time with the intuitive LCD display, or choose from a variety of pre-set programs such as automatic defrost, popcorn, keep warm, sensor cooking and many more.

Choose between 2 extraction airflow speeds, reaching a maximum flow performance of 300 CFM (cubic feet per minute).

Enjoy powerful illumination of the cooking surface with the long lasting and bright LED lights which also don't create additional heat and are energy efficient.

Filter out odors and grease with the aluminum mesh filters, which can be easily cleaned periodically in the dishwasher or by hand.

This hood comes standard for recirculation, but can be easily modified for venting outside the kitchen.

Designed with pride by Bertazzoni in Italy.

Industry leading 2 years parts and labor warranty

## PRODUCT FEATURES

Size	30"
Hood type	OTR-over the range
Hood finish	Stainless steel
Motor	1
Speed	2
Hood control	Touch
Lights	Cavity: bulb incandescent lamp; Hood: led
Filters type	Carbon filter
Extraction power	300 CFM
Sound Level (min)	53 db(A)
Recirculation	Yes
Duct cover	Not applicable

## TECHNICAL SPECIFICATIONS

Electrical supply	120 V 60 HZ - 1500 W 13,5 Amp
Power connection	USA with 39" power cord
Certification	CUL,UL
Warranty	2 years parts & labor
Packaging dimensions and weight	W 33.3" H 20.5" D 18.8" 63.8 lbs
