The Haiku Remote provides simple, direct control of your Haiku fans. Use it to adjust your fan's speed, set a timer, and activate Whoosh and Sleep modes.

COMFORT AT THE PUSH OF A BUTTON

- **Controls** — Fan and light on/off, speed adjustment, light brightness adjustment, Sleep, Timer, and Whoosh mode activation
- **Construction** — Made from durable ABS to withstand drops and accidents
- **Color** — White
- **Backlight Illumination** — Buttons light up for clear visibility in dark rooms
- **Mounting** — Convenient wall mount installs using provided removable adhesive strip or screws
