CLEARANCES:

Clearance requirements for Platinum and Tungsten Smart-Heat heaters are as follows: (Note: adequate clearance must be directly above the heater)

A) WALL MOUNT <u>NO</u> DEFLECTOR:

Minimum distance to combustible materials:

	А	В	С	
Platinum and Tungsten Smart-Heat				
300	3.6' / 110cm	3.6'/ 110cm	8' / 244cm*	
500	3.6' / 110cm	3.6' / 110cm	8' / 244cm*	

*Please refer to local authorities for any additional mounting guidelines

B) WALL MOUNT <u>WITH</u> DEFLECTOR:

Minimum distance to combustible materials:				
	А	В	С	
Platinum and Tungsten Smart-Heat				
300	1.15' / 35cm	3.6' / 110cm	8' / 244cm*	
500	1.15' / 35cm	3.6' / 110cm	8' / 244cm*	
*Please refer to local authorities for any additional mounting guidelines				

C) CEILING MOUNT <u>NO</u> DEFLECTOR: Minimum distance to combustible materials:				
A B C				
Platinum a	nd Tungster	n Smart-He	at	
300	3.6'/110cm 3.6'/110cm 8'/244c			
500 3.6'/110cm 3.6'/110cm 8'/244cm				
*Please refer to local authorities for any additional mounting guidelines				
D) CEILING MOUNT WITH DEFLECTOR:				

Minimum distance to combustible materials:

A		В	С	
Platinum and Tungsten Smart-Heat				
300	1.15' / 35cm	3.6' / 110cm	8'/244cm*	
500 1.15'/35cm 3.6'/110cm 8'/244cm*				
*Please refer to local authorities for any additional mounting guidelines				

Is the heater adequately covered? Y \square N \square	
(i.e. shielded from rain)	

_	
(s a protective cover required? Y N cover may be required for environmental protection OR because of lower ceiling height)
	Have site plans & digital photos been provided? Y□ N□
rea	NOTE: in order to more accurately review your heating equirements and provide a valid recommendation, dimensioned plan and elevation views are required. lease also provide digital photos of the area).
lf s	f site plans not available, draw a sketch of the area howing all elevation views and open areas. Please nclude an appropriate scale.
Г	Do vou require a:
	Ceiling Mount 🔲 OR Wall Mount 🗖
I	F CEILING MOUNT:
F	Pole length required:
(Ceiling material type:
Ī	F WALL MOUNT:
	Nall construction (wall material type)
