QB Sconce

Description

QB is an indirect LED sconce made of extruded aluminum. It has no visible light source from any angle. QB's clean simple cube design allows for a modern look with a warm classic glow illuminating the wall or ceiling from either opening of its body. QB includes an onboard dimming driver. It can be easily surface mounted vertically or horizontally and can cover a standard j-box on a wall or ceiling. It is offered in brushed chrome exterior housing with white inner reflector, white exterior housing with white inner reflector and black exterior with white inner.

Housing

- Extruded aluminum housing in brushed chrome, white, or black. White inner finish on all.

Mounting

- Square canopy over a 3-1/2" - 4" recessed round j-box.

Electrical / LED Driver

- 120-277Vac input, 50/60Hz (120Vac only for dimming)
- 8.8W, 15.2VA
- Trailing Edge (ELV) dimming and Leading Edge (TRIAC) Dimming

LED Performance

LED	Citizen CL-L251
DUV	+/- .006
CCT	3000K (287 lm)
