### Description

Bruck's European and American Artisan, mouth-blown glass is known throughout the world for its quality and beauty. Several light source options, mounting options, colors and finishes allow for a unique design.

It is offered in matte chrome, chrome or bronze and is compatible with any Bruck line voltage track as well as Halo® single circuit for retrofit. Chrome and matte chrome finish provided with clear cord. Bronze finish provided with black cord. The pendant can be mounted from Bruck's field adjustable 4" Kiss Canopy and accepts GU24(LED/CLF) or medium base lamping options. Standard overall cable length of 59" can be field-cut or specified when ordering.
