#### DESCRIPTION

WEP Light (Wood Ecological Project) is designed, handcrafted in Argentina and assembled in the USA. A two-sided wood veneer section is fused with a malleable center panel for strength and flexibility to create a work of art in a variety of styles and sizes. A plethora of colors for interior and exterior of the shade are offered. Acoustic WEP lights are offered in multiple shapes and sizes and are NRC rated by a third-party lab for absorption efficiency. The natural recycled wood in many finish options, is complimented by a natural Argentinian lamb's wool inner shade for superior absorption. Factory assembly for most shades. Due to hand-crafted nature, colors vary from fixture to fixture and from photo.

#### HOUSING

- Sustainable, recycled, reconstructed wood veneer
- Factory assembled shades with some exceptions due to size

#### MOUNTING

- Renata 56: Bayonet canopy with 108" cord, field adjustable
- Renata 80: Air craft cable suspension with black canopy and 108" black cord, field adjustable.
- Optional track mounting options: Global Trac Systems, GEO track, ECO track / HALO® Power Trac track, and Zonyx track.
- Renata 56M: 4.51 lbs.
- Renata 80M: 7.72 lbs.

#### LISTINGS

- ULus listed to UL1598 (suitable for indoor use and dry locations only)
- cUL listed to CSA C22.2 #250.0

#### ORDERING CODE

Follow the steps to specify your fixture, example:  
**WEP - REN - 56M - LLED - 30K - 90 - PBK - PTB - ASH**

- NOTES
1. 90 CRI for standard white only.
  2. 95 CRI for warm dimming only.
  3. 80M available in PBK and PWH mounting only.
  4. 15W E26 socket available, use base option code LE26-15.
