

POWER BUTTON:

- Press the power button to turn on the device.
- Press power button again to switch between the three light modes: low, medium, and high.

CHARGING INSTRUCTIONS:

- Charge the device by attaching the male end of the micro USB into the unit. The red light indicates it is charging. The green light means the battery is full.
- To use the device as a mobile power source, use the USB port on the device.

WHERE TO USE:

- Hang on metal surfaces with magnet on the back.
- Hang on wire shelving or other surfaces with hanger on the back.
- Hang on wall with nail catcher on the back.
- Prop up on workstation or table with pop-out stand on the back.

**WARNING:**

- **DO NOT** let children use the device without adult supervision.
- **DO NOT** shine light directly in human or animal eyes.
- **DO NOT** submerge in water. If the device comes into contact with water, dry immediately.

TECHNICAL DETAILS:

Product Name:	Y36 COB work light
Light Source Power:	7W
Light Source Type:	1*COB
Light Intensity:	500Lm
Color Temperature:	6500K
Light Source Color:	White
Battery Type:	2*18650 Lithium Battery (included) 3.7V, 1*3600mAh
Lighting Time:	4 hours (high), 6 hours (medium)
Irradiation Distance (max):	30m
Charging Time:	5 hours
Charging Port:	5V 1A DC, 1*Micro input, 1*USB output
Water-Proof Rating:	IP54
Working Temperature:	(-20°C - 65°C)
Storage Temperature:	(-30°C - 70°C)
LED Lifetime:	100000 hours
Material:	ABS+TPR
Product Color:	Gray/Black
Package Contents:	1x work light, 1x USB cable
