H2OFF® Clear Glass Technology

We warranty H2OFF® shower glass coating to be free from material manufacturing defects to the original purchaser for FIVE (5) YEARS (**Limited 5 Year Warranty**). H2OFF® is a polymer coating that bonds to the glass, protects from harmful contaminants and makes cleaning the shower glass easier. It is applied to the inside surface of all Marina®, Lagoon® and Cove Collection Shower and Tub doors-not available for Tides Collection.

We recommend cleaning with a soft cloth or sponge. For best results, squeegee the enclosure dry after each use. Use of abrasive products, such as abrasive cleaners and scouring pads will void this warranty.
