You will need 6- Candelabra Base Bulb
40 Watts Recommended 60 Watts Max.
USE LED BULBS FOR EXTENDED USE
This fixture is Damp rated

How to install

1. To facilitate the installation of glass. Please remove the light cluster out of the cage by loosening the hex nut and knurled nut on the top of frame.
2. Install the glass inside the metal frame and secure it with the bracket and screws.
"Please do not overtighten the screw to avoid the glass from breaking"
3. Secure the light cluster to metal frame with the hex nut, the metal washer and the knurled nut.
4. Thread the loop onto the nipple.
