

FEN CHANDELIER  
9451

DIMENSIONS: 30.5h x 38dia.

MATERIAL: Wrought Iron/Crystal

FINISH: Cupertino

FREIGHT INFORMATION: Motor Freight (MF)

ITEM WT: 62

PKG WT: 88

FEATURES:

The embodiment of dark beauty, the Fen Chandelier draws upon the allure and mysterious unknown of mossy wetlands for inspiration. Cupertino wrought iron spokes stretch outward like gnarled branches, each one supporting a delicate chain adorned with a single crystal bead, like drops of dew on a bramble bush. The brutalist design of this six-light fixture is both innovative and irresistible. This chandelier also comes in a smaller version.

NUMBER OF LIGHTS: 6

MAXIMUM WATTAGE: 360

WATTAGE PER LIGHT: 60
