Created in the Color Field tradition of the 1940s, the Graduation Taupe Pendant has nine wide rings of wrought iron in alternating hues of tan. The interiors of the rings are finished in a champagne tone to enhance the glow of this chandelier that flows from darker taupe at the top to ivory at the bottom. We offer the design, in our Hiroshi Koshitaka Collection, in several chandelier sizes in blue and taupe, and as pendants in taupe and blue as well.
