The Iota Rectangular 7-Light Multi-Drop Pendant has shades that exude the beauty of flower buds, though they are not made of plant matter as their lovely profiles would suggest; they are fashioned from brass in a warm antique brass finish. A particular design detail of note is the delicacy and positioning of the petals. The canopy of this piece is luminous in a painted silver finish. This fixture is among Currey & Company's multi-drop pendant collection, which includes multiple configurations.
