Joining the Eyelash chandelier in our mod Phyllis Morris Collection is our Eyelash Wall Sconce. Like its graceful counterpart, it is made of wrought iron that has been treated to a French gold leaf finish. Both evoke the sexy vibe for which Phyllis Morris was famous. During an era when it was all about "big," this sconce's lines prove the fancier the curl, the more hip the girl! Whether flanking a fireplace or a stunning painting, this piece will illuminate contemporary or traditional settings with equal élan.
