

DANIELLI CHANDELIER  
9157

DIMENSIONS: 42.5h x 41 dia.

MATERIAL: Wrought Iron

FINISH: French Black

FREIGHT INFORMATION: Motor Freight (MF)

ITEM WT: 11.5

PKG WT: 120

FEATURES:

Like intersecting planets involved in their orbits, the U-shaped wrought iron arms of the two-tiered Danielli Chandelier gracefully converge as the overall design tapers to raise twelve points of light skyward. A French black finish serves as a sophisticated element of the design of this fixture, which measures 41 inches wide by 36 inches deep by 42 inches high.

NUMBER OF LIGHTS: 12

MAXIMUM WATTAGE: 720

WATTAGE PER LIGHT: 60
