

CRABTREE CHANDELIER 9976

DIMENSIONS: 24rd x 18h

MATERIAL: Metal

FINISH: Black Nickel

FREIGHT INFORMATION: Motor Freight

FEATURES:

As striking as it is powerful, three curving ovaloid forms balloon outward from the three light Crabtree Chandelier. The finely worked narrow bands of metal that are fashioned into a handsome cage-like frame suggest the appearance of gauzy netting. With a Black Nickel finish and its spare detailing, this style is a chic industrial-inspired addition to contemporary interiors.
