# 1180T

This modern exterior LED wall pack was designed to optimize efficiency through heat dissipation and optical management. This LED wall pack provides an ideal wall wash lighting solution, utilizing a fraction of the energy of traditional sources and requiring virtually no maintenance.

Model	Watts	Delivered lumens	LED lumens	CRI	Color °T	Voltage
<b>1180T</b>	20 W	2100 lm	2400 lm	80	4000 K	120 V - 277 V

### Specifications

Housing and casing made of heavy-duty die-cast aluminum

Optical system is composed of high-power LEDs mounted on a highly reflective panel

LEDs oriented in their optimal position and enclosed in tempered glass

LED board is mounted onto a substantial aluminum heat sink to maximize heat dissipation

All components undergo a rigorous pre-paint treatment and are coated with baked powder coat paint, giving them a highly durable finish

Adjustable head 0° to 90° angle

ADA compliant

### Finish

- BK** Black
- BZ** Bronze
- SG** Silver grey

### Voltage

- 12** 120 V
- 27** 277 V

### Option

- P** Photocell
- 34** 347 V

### Order example

#### **1180T-LEDTS1-12-BK**

Model: 1180T, light source: 20W LED module, 4000K, 2100 Delivered lumens, voltage: 120 V, finish: Black
