INSTALLATION

Grout Joint Recommendation	Shade Variation
1/8"	 Medium (V2)

NOTES

Ion Metals™ is a cast metal collection and is permanently protected by Q-Seal™.

Due to the handcrafted nature of Ion Metals, variations in structure can be expected and are intended to enhance the visual interest of this artisan product. Special care should be used in installation; see installation instructions for details.

Since there are variations in all natural products, tile and trim supplied for your particular installation may not match these samples. Final color selection should be made from actual tiles and trim and not from tile samples or color reproductions.

For additional information refer to "Factors to Consider" at daltile.com/Factors.

* All shapes available in all colors.
