## Classic Romance Enters The 21<sup>st</sup> Century

With a firm grasp on antique style, the Vintage Hex™ collection captivates in a hexagon mosaic. A slight sheen finish modernizes the look, heightened by a limestone print that refreshes the beauty of natural stone. Textural depth heightens the collection's wide, assorted palette. Vintage Hex holds onto the romantic aesthetic of times past, yet reinvigorates the design for today's style sensibility.

## NOTES

Not for use on ramps. Water, oil, grease, improper drainage and certain footwear can create slippery conditions. Floor applications expected to be exposed to these conditions require extra caution in product selection.

For additional information refer to "Factors to Consider" at: [daltile.com/Factors](http://daltile.com/Factors).

Random visuals enhance the natural beauty of this product. To achieve optimal results, all tile should be selected from multiple cartons and shading and graphic arrangement planned prior to installation.

Since there are variations in all glass products, tile and trim supplied for your particular installation may not match samples. Final confirmation should be made from actual tiles and trim prior to installation. Manufactured in accordance with ANSI A137.2 standards.

Use of a white latex modified thin-set is recommended for installation.
