Assembly Instructions

Two person assembly recommended.

Item	Description	Qty
A	Top	1PC
B	Left Side Frame	1PC
C	Right Side Frame	1PC
D	Back Panel	1PC
E	Adjustable shelf	2PCS
F	Bottom Panel	1PC

step 1

Open the drawer for fastening the right side frame (C) and top with bolts. Tighten two bolts when the side frame front rail is flush with drawer front rails.

step 2

Insert back panel (D) into right side frame groove. Align the left side frame (B) groove with back panel and fasten with bolts when the front rails are flush.

step 2

Insert the bottom shelf and align the back panel into bottom shelf groove. Fasten the bolts when the bottom shelf front rail is flush with two side frames.

step 3

Place the bookcase right side up and fasten the back panel with two screws (e).

step 4

Insert shelf supports and place two adjustable shelves on shelf supports. Fasten the anti-tipping hardware onto pre-drilled holes at back of bookcase and wall.

Furniture Tipping Restraint must always be used to prevent serious harm or death to children.
