 **Multi-Fire XD™ Firebox**

Features

Flame

A blend of technology, artistry and craftsmanship – the patented Dimplex flame technology creates the illusion of a true fire.

Thermostat

Includes a thermostat controlled fan-forced heater to ensure consistent comfort.

Year-round Enjoyment

Enjoy the ambiance of the flame with or without heat for year-round enjoyment.

Supplemental Heat

Includes a powerful fan-forced heater designed to keep the rooms you spend the most time in warm and comfortable.

Economical

Economical to operate. Costing only pennies per hour.*

Green

The green alternative. No harmful particulates or emissions and 100% efficient.

Safe

Front glass stays cool, making it safe to touch.

Cord Management

Includes an integrated cord management system that allows you to organize and conceal all the electrical cords for a clean, cable-free look.

Instant Ambiance

Plugs into any standard household outlet.

Storage

Includes ample storage space for electronics and media components.

Remote

Includes a convenient remote control for ease of use at your fingertips.

Specialty Features

Ember Bed Options

Choose from logs molded from actual wood or a acrylic crystal ember bed, with or without chunks of acrylic ice.

Color Themes

Choose from a range of brilliant color themes to match your mood or décor.

Fully Assembled

No assembly required. Just plug in and enjoy.

Silent Closing Hardware

Slow closing doors or drawers without a sound.

Hidden Casters

Easily move mantel without scratching the floor.

IR Repeater

Allows infrared remote to control electronics behind closed wooden doors.

Corner Convertible

Mantel converts from corner to flat-wall in seconds.

On-screen Display

View temperature settings and functions easily on the LED display.

* Based on national average residential electricity rate. Rates vary.

Prism Series Firebox

Enhanced Features

-  **Media Bed**
Diamond-like acrylic ice ember bed chunks sparkle with the reflected light.
-  **Color Themes**
Choose from seven color themes or cycle through the range of colors using the prism mode, freezing on the hue of your choice.
-  **Thermostat-controlled Heater**
Includes a powerful fan-forced heater designed to keep the rooms you spend the most time in warm and comfortable. Reduce your central furnace temperature and cut your heating costs!
-  **Multi-function Remote**
Adjust the thermostat and appearance settings from the comfort of your chair.
-  **Floating LED Display**
View temperature settings and specialty functions such as sleep timer and color themes.
