

Audio Accessory

GD-SK017

25" Soundbar featuring **Bluetooth**[®] technology

Add another dimension
to any fireplace

When an entertainment center needs to be seen and heard, simply add the Dimplex Soundbar accessory. Bluetooth wireless technology makes connectivity easy, adding detailed audio to any big screen television and enhancing the home theater experience. Designed to fit media consoles with open storage above the firebox, the Soundbar is the perfect companion to complete any entertaining space.

Audio Accessory

GD-SK017

25" Soundbar featuring **Bluetooth**® technology

Features

Wireless Connectivity

Connects easily to devices that feature Bluetooth wireless technology.

Low-profile Design

Compact dimensions fits almost any Dimplex media console.

Sound Quality

Provide superior clarity and power compared to built-in television speakers.

Installation

Fits in media console shelf spaces or installs directly on-wall with included hardware.

Controls

Use the side-mounted buttons or the remote control to adjust volume and function.

Additional Inputs

Connect audio devices with the built-in optical and 3.5 mm inputs.

Manual control

3.5mm / Optical

Remote
