

Tristan Electric Stove

This space-saving stove is ideal for any small space that could use some warmth and charm. Classic picture frame front, matte black finish, damper-look slots and mini plinth complete the traditional stove design.

120 Volts / 1,500 Watts / 5,120 BTU

Features

- Flame**
A blend of technology, artistry and craftsmanship – the patented Dimplex flame technology creates the illusion of a true fire.
- Supplemental Heat**
Includes a powerful fan-forced heater designed to keep the rooms you spend the most time in warm and comfortable. Reduce your central furnace temperature and cut your heating costs!
- Thermostat**
Includes a thermostat controlled fan-forced heater to ensure consistent comfort.
- Year-round Enjoyment**
Enjoy the ambiance of the flame with or without the heater for year-round enjoyment.
- Economical**
Economical to operate. Costing only pennies per hour.*
- Green**
The green alternative. No harmful particulates or emissions and 100% efficient. Produces 90% less carbon dioxide than an average direct vent gas fireplace.
- Safe**
Front glass stays cool, making it safe to touch.
- Instant Ambiance**
Plugs into any standard household outlet.
- Quick Assembly**
Sets up in minutes with step-by-step assembly instructions allowing you more time to enjoy your fireplace.

* Based on national average residential electricity rate. Rates vary.
