

Docking Drawer®

Blade Series Tear Sheet

BLADE DUO 2012-266

Revision 2

Docking Drawer is the market leader of in-drawer outlets, offering the only ETL Listed solution unsurpassed in both safety and quality.

Designed intentionally for use inside a drawer, our outlets feature an integrated thermostat that cuts power if surrounding temperatures exceed 120°F and cable management arms that guide and protect the power cord as the drawer opens and closes. Premium, all-metal components guarantee long-lasting durability, while the capacity to easily update the outlet as technology changes over time ensures lifelong usability.

Install our in-drawer outlets with ease into drawers of any type to eliminate cord and device clutter from countertops and surfaces for more organized and functional spaces.

Blade Series Blade Duo 2012-266
