

Docking Drawer®

Blade Series Tear Sheet

BLADE COMPACT VANITY OUTLET
2012-130-X21

Revision 2

Docking Drawer is the market leader of in-drawer outlets, offering ETL Listed solutions unmatched in safety, quality, and function.

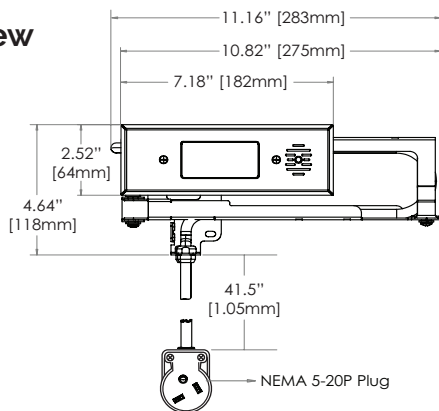

The Blade Compact Vanity Outlet is our most narrow configuration, meticulously engineered to fit into compact vanity drawers as narrow as 9". Featuring a premium all-metal design, cable management arms that guide and protect the power cord as the drawer opens and closes, and an interlocking thermostat that automatically cuts power if temperatures exceed 120°F, this solution delivers unparalleled safety and specification ease for vanity drawer applications. Install into vanity drawers to eliminate cord and device clutter from surfaces and create safer, more organized and inspirational spaces.
