

ELKAY® SPECIFICATIONS

Harmony® Double Bowl Sink Featuring Quartech, Undermount Models ELQTULB342210 Series

GENERAL

Elkay Quartech sinks are molded from finely ground natural quartz and high performance acrylic resins into a finished product that exceeds customer expectations. The material offers antimicrobial product protection achieved through the use of silver dispersed throughout the matrix. Non-porous, easy to clean, and resistant to stains, the Quartech sinks are also durable and scratch resistant. The sinks are naturally sound deadened and heat resistant to 550° with the color consistent throughout the material. An extra wide Work Bench low divide feature separates the two sink compartments and offers an additional area for food preparation.

DESIGN FEATURES

Bowl Depth: 10" (254mm) and 8" (203mm).

Rim Height: 3/8" (10mm).

Material: Elkay Quartech.

Work Bench: 4-3/4" (121mm) from top of rim.

Color Options with natural accents: Black (BK), Husk (HK), Java (JV) or White (WH).

Reversible design, sink can be rotated so small bowl is on the left.

OTHER

Drain Opening: 3-1/2" (89mm).

These sinks comply with ANSI Z124.6 and CSA B45-02.

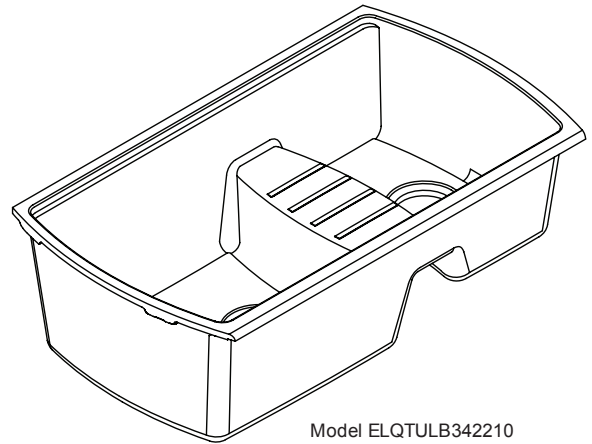

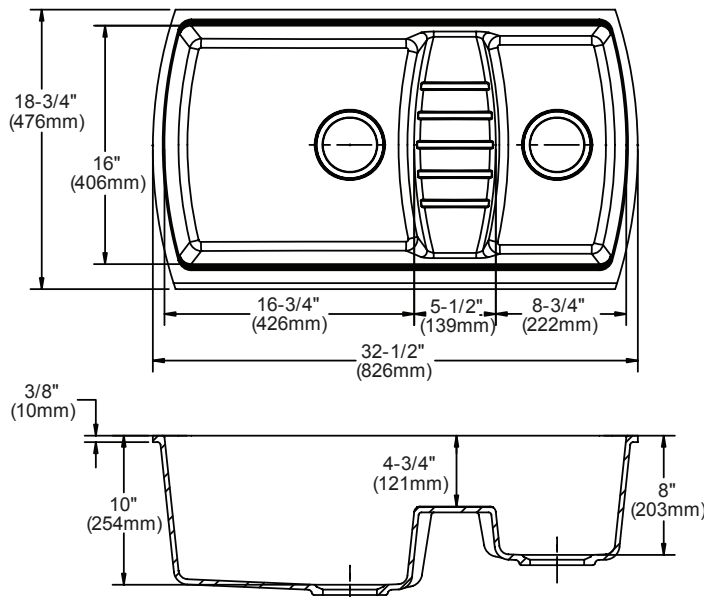

These sinks are listed by the International Association of Plumbing and Mechanical Officials as meeting the requirements of the Uniform Plumbing Code.
