Flush Mount

A

SENSE II

The Sense II collection lends an air of cosmic mysticism with Mirror Chrome plate glass shades that are hand etched for added dimension. The sinuous curves hint at eccentric glamour and feature modern technology with its state-of-the-art Smith & Kole 12-volt transformer, among the best in the market. This sculptural fixture commands the center of attention, anchoring the look of a living space.

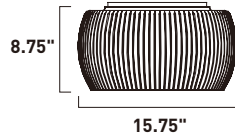

SENSE II

- G9, Xenon Lamps Included
