

GYRO

Concentric bands of Matte White rotate on 2 axis points to adjust in multiple directions similar to a gyroscope. The edge of each slender band is encased with a small LED strip covered by a frosted lens. It is more a work of art than just a lighting fixture.

GYRO

- Rotatable bands finished in Matte White
- Strip of LED encased in frosted lens along edge
- 3000K Color Temperature, CRI 80+
- Dimmable with Triac dimmers
