

GYRO II

A very unique and interesting design that features concentric bands of Polished Chrome or Black that rotate on 3 axis points and adjusts in multiple directions similar to a gyro. The edge of each slender band encases a small LED strip covered by a frosted lens. This work of art is so much more than just a lighting fixture.

GYRO II

- Rotating arms on 3 axis points
- Integrated LED on the inside edge of the bands
- 3000K Color Temperature, CRI 80
- Dimmable with Triac Dimmer
