MAKE IT WONDERFUL

FRANKE

**THE NEW STANDARD OF
VERSATILITY AND BEAUTY.**

The second generation of this hard-working sink features an updated silk stainless finish for years of enduring beauty.

Made of 16-gauge, commercial-grade stainless steel and available in a variety of size and configuration options, it's the perfect partner for the serious home chef.

UNCOMPROMISED DESIGN

This clean-lined series boasts refined touches for the serious home chef. Deeper bowls are undermounted to integrate beautifully into the surrounding worktop.

BEAUTIFUL FINISH

We didn't sacrifice aesthetics for durability. Our new silk finish takes minimal care to maintain a clean, attractive look for years.

DEEPER BOWL

With a wide base and deep basin, this bowl easily accommodates large pots and pans and minimizes splashing.

DRAIN COVER

This thoughtful detail covers the drain to maintain the even surface of the basin. Goodbye, broken stemware.

DRAIN PLACEMENT

Little things can make a big difference. The rear offset drain maximizes the usable bottom surface of the bowl while also creating extra cabinet space beneath the sink.

COLANDER

Fits on the ledge of the sink making it perfect for rinsing or draining vegetables, fruit, and pasta.

SINK GRID

Protects the sink from everyday wear and hot cookware.

ROLLER MAT

Ideal for drying dishes, protecting surfaces from hot cookware, or rinsing and drying produce.

WOODEN CUTTING BOARD

Fits on the sink ledge to create a new workspace. Discard peels and stems directly into the waste disposer.
