

GE® 230/208 Volt Built-In Heat/Cool Room Air Conditioner

Model # AJEQ12DWH

- Built-in WiFi powered by SmartHQ™ -
- True Built In Design - The ultimate fit & finish for more usable space and the best in built-in installation. Sleeve and chassis are perfectly integrated, creating a seamless fit without leaks or gaps
- Premium Guard Seacoast Protection - Premium Seacoast Protection on heat/cool models has special coatings and double coats of paint on key components including coils, base pan, compressor and stainless screws
- Premium Finish - Bright, clean color & a decorative metallic silver accent encasing the air discharge louver, provide an overall sleek appearance
- Electronic Cap Touch Controls - Controls offer a high-end and smooth to-the-touch panel
- Large LCD Auto-Dimming Display - Intuitive & large white LCD display can be easily seen from anywhere in the room. Convenient Auto-Dimming feature provides ambient lighting during the night
- Slim Room Front - A slim room front provides more usable space in the room. It's the sleekest design in the industry
- ECO Mode - Innovative mode where the fan cycles off during cooling intervals, creating energy savings while keeping the room comfortable
- Dry Mode - Designed for humid environments, it helps provide a dryer & more comfortable atmosphere with room-air dehumidification
- Auto Mode - Automatically select heating or cooling mode and fan speed to maintain the current temperature setpoint. It monitors the room temperature for optimal comfort
- 3-Speed Fan - Select High, Medium, Low or Auto Setting to achieve the best in air comfort & ultimate flexibility. Available on heat-cool models
- 6-Way Directional Airflow - Direct where the air flows with up to 6 directional vents—cooling and/or heating the areas of the room that need it the most
- Washable Filter - Easy to remove and rinse clean, the filter helps remove dust and other particles from transmitting in the air—providing a cleaner environment
- Remote Control Included - Slim, intuitive and easy to use, the remote control enables adjusting temperatures and settings conveniently from anywhere in the room
- Quiet Performance - Designed & engineered by GE Appliances for ultra-quiet comfort
- Commercial Grade - Designed for durability with high-grade components and tested for long performance

FEATURES

Control Type	Electronic
Temperature Range	60->85 F
Air Discharge	Over / Under
Airflow (cfm) Roomside (hi/low)	285/245, 275/235
Chassis Type	Slide-In
Filter Type	Rigid Frame, Tilt-Out, Washable
Louver Style	6-Way
Outdoor Vent / Exhaust	Yes
Cord Length	68"
Plug Type	Perpendicular/Right Angle LCDI
Rotary Compressor	Yes
Thermostat Type	Electronic Digital
Unit Type	Heat / Cool Unit
Fan Speed Selections	3 Cooling, 3 Fan Only
WiFi Connect	Built-In
Room Air Conditioner Features	Smart Fan Switch, Remote Control, Batteries Included, Improved Corrosion Package
Product Type	Built-In
Remote Control	Yes
Style	Thru-Wall
Refrigerant Type	R410A
