DESCRIPTION

Scheduled maintenance is a necessity for all standby generators. The Liquid-Cooled Scheduled Maintenance Kits offer all the components necessary to perform complete maintenance on Generac liquid-cooled generators (oil and coolant not included; see manufacturer recommendations below). Maintenance is recommended every 200 hours or 2 years, whichever comes first. If running in a dusty or dirty environment, more frequent maintenance may be required. See the owner's manual for more information.

KIT CONTENTS

Kit Model	G005656-0	G005660-0	G005984-0	G006171-0	G006172-0	G006176-0	G006205-0	G006915-0	G007991-0
