1 Light Bath Vanity

The Beckford Collection is the perfect combination of beauty and functionality. The aesthetic appeal of the wide, cylindrical Opal glass is matched by the visual interest of the tiered, octagonal backplate. This classy, sophisticated design is offered in Pewter and Rubbed Bronze to coordinate with a variety of interior decors. Sconces are popularly used in halls, stairways, and foyers as accents, but this 1-light bath vanity is UL approved for damp locations.
