1 Light Wall Sconce

Picture perfect, the weathered oak frames of the Eastwood Collection feature exposed hardware in a rough, Rustic Bronze finish. The dark, gravelly finish adds contrast to the light, uneven finish of the wood and the oversize Clear Water Glass. The textured glass covers medium sockets and softly diffuses the light. These open-caged fixtures are truly transitional with rustic style in a modern form. Wall sconces are popularly used in halls, stairways, entries and foyers. The soft light of this fixture is perfect for accent lighting.
