1 Light Wall Sconce

The Zoey Collection is proof that simple can be beautiful. This elegantly utilitarian series has the chic versatility to enhance the style of a variety of spaces. The smooth lines of this minimalist design pair well with transitional to modern décors. The cleanliness of the contemporary look gives the fixtures a slightly industrial feel. Zoey is offered in a number of sizes with a combination of matte sheen shade and finish options available. The color of the shade's interior consistently matches the shade's exterior finish. The silhouette of the metal shade is a modern update to the classic dome shape. This wall sconce is perfect for hallways, bedrooms, or to use as an accent.
