Flush Mount

Clary's vintage-inspired design is great in eclectic, traditional, and transitional interiors. The clear, optic glass is paired with a modern Matte Black finish, allowing the light to work well in classic and more modern environments. Paying homage to the fun decor of old-school diners and food joints, the timeless look of the wide Ribbed Optic Glass shade takes center stage. The linear texture of the attractive flared glass draws the eye while gently diffusing light. Clary is damp-rated. With a low-profile design, it is perfect for hallways and bathrooms.
