6 Light Chandelier

Simple and modern, Kennedy is a sleek contemporary series. The artistic bends in the sharply curved arms give the fixtures a look that works well with transitional to modern decor. Choose between shaded and shadeless options. The tapered Ivory Linen shades have a distinctive conical shape that is stylish and functional. Open at the top and bottom, the shades allow excellent directional lighting, while the opaqueness of the fabric allows warm ambient light to drift into a room. Without shades, the fixture has a modern minimalist appeal. The design is offered in two sophisticated finishes.
