2 Light Wall Sconce

The Avon collection is simple sophistication in a natural form. The collection features twisted organic gray-toned fibers stretched over sturdy steel frames. Tight in spots and wide in others, the gray-toned bleached Raphia rope is braided and stretched on a Brushed Champagne Bronze frame. To add visual interest, our designers used textured metal bands as accents. Avon's feminine silhouettes and neutral hues are perfect for transitional to contemporary homes. This collection has multiple fixture types. This semi-flush provides widespread ambient lighting.
