A powerful helper.

Google Home is powered by the Google Assistant. Ask it questions. Tell it to do things. It's your own Google, always ready to help.

Hey Google, how many calories are in pasta?

There are 75 calories in 2 ounces of cooked fresh pasta.

Get answers from Google.

Google Home is ready for your questions, just go ahead and ask. Use your voice to quickly find information about the weather, news, sports and more. It has the power of Google Search, Maps, and more, built right in.

Bring your music to life, using only your voice.

Google Home's high-excursion speaker delivers a big, rich sound in a compact size. Play music from popular services like YouTube Music, Pandora and Spotify.¹

Manage your day from breakfast to bed.

Get help around the house with things like your schedule, travel information, commute and more. You can even make hands-free calls to your family, friends and local businesses.²

Hey Google, call Mom.

Sure, calling Mom.

Hey Google, play Stranger Things from Netflix on TV.

Play, pause and rewind. Hands-free.

When you combine Google Home with a Chromecast device, you're able to control your favorite entertainment with just your voice. Play movies and shows from partners like Netflix, YouTube and more.¹

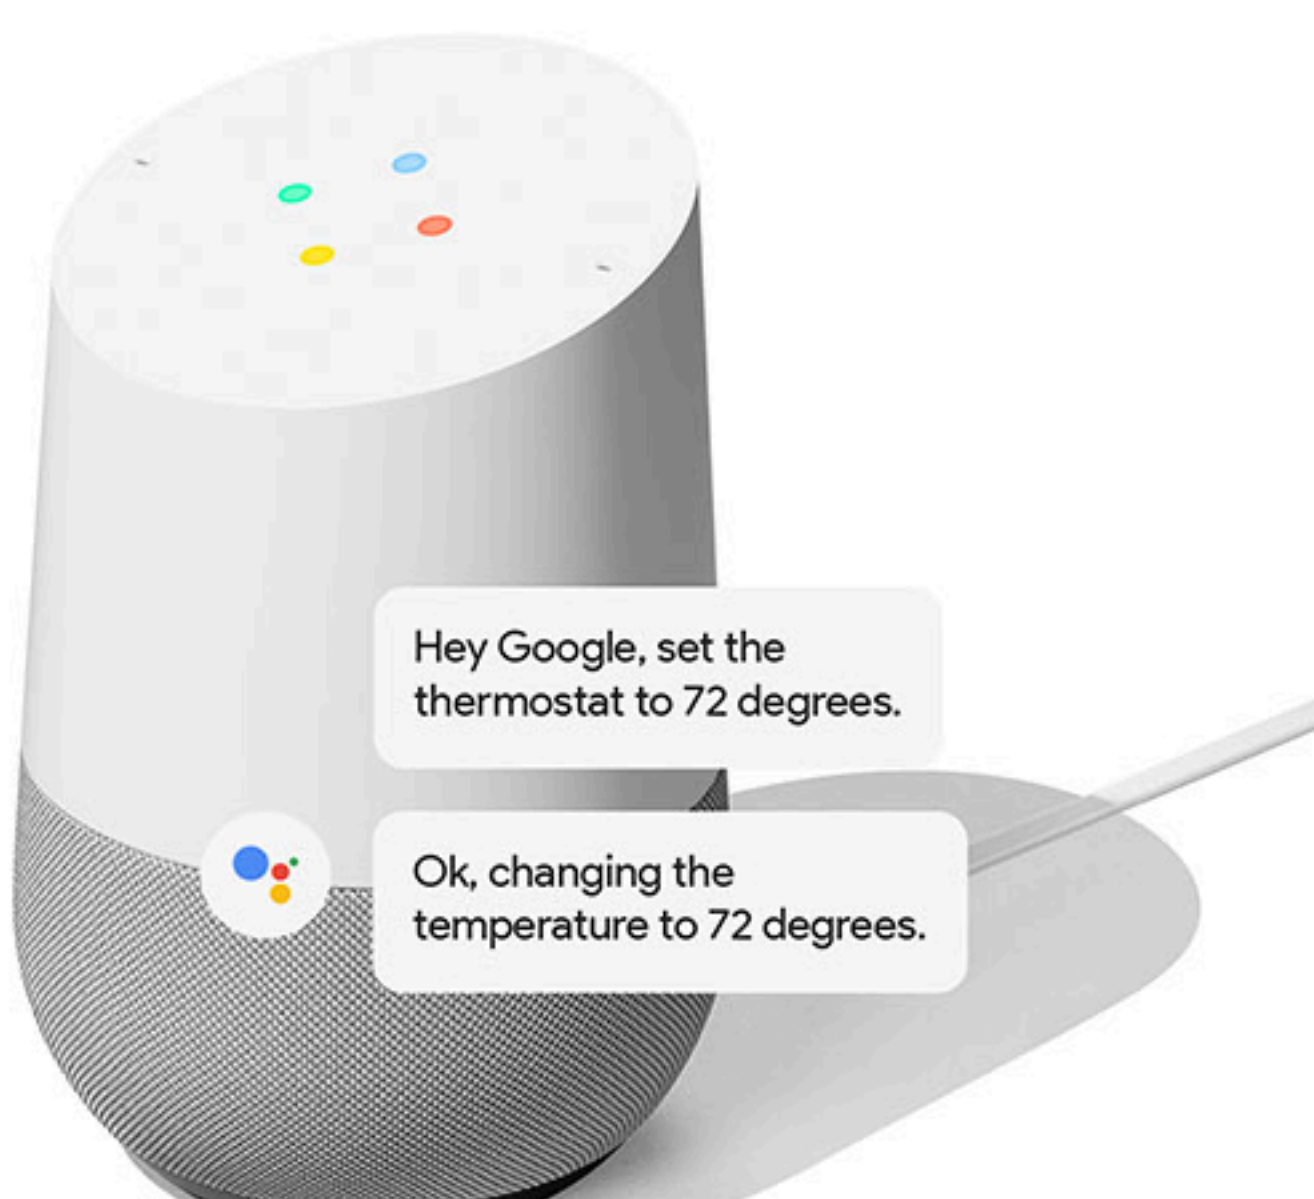

Control your smart home with just a few words.

Use your voice to control compatible smart home devices like light bulbs, switches and thermostats.

Hey Google, set the thermostat to 72 degrees.

Ok, changing the temperature to 72 degrees.

Hey Google, when is my first meeting tomorrow?

Your voice. Your info.

Get personalized information that's just for you.³ Google Home can distinguish your voice from others, so everyone can hear their own schedule, commute times, daily briefings, playlists and more.

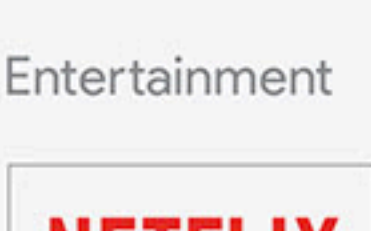

Make Google Home yours.
