

The Sedona Collection

Make the most of your time outdoors with the Sedona 6-Piece Set from Hanover. Entertain friends and loved ones by the cozy glow of a fire, without having to chop a single piece of firewood. This set includes a sofa, two side chairs, two ottomans, and a fire pit table. The plush, comfortable cushions rest in mid-century modern frames made from sturdy, aluminum and hand-woven wicker. If you're not in the mood for a fire, use the included burner cover to convert your fire pit into a stylish table. The compact and clean gas fire pit is easy to use with push-button ignition and adjustable flame settings. Its modern design expertly conceals the fuel tank within its durable frame, but is easily accessible through a convenient access door. Created with all-weather materials, your backyard will be the neighborhood hot spot for years to come.
