## PORTIA

### 52112BN

#### MEDIUM LED VANITY

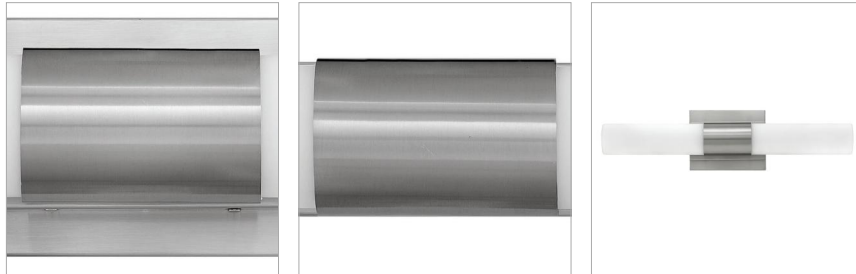

Portia's slim profile unifies design and technology. A pair of blown etched opal glass cylinders extends from a center metal fixture body, creating a streamlined cylindrical form. Finished in either Brushed Nickel or Polished Nickel, this eco-efficient linear LED collection is fully dimmable and provides even, warm white light. The raceway back plate and optional junction box cover plate provide multiple mounting opportunities.
