

SATURN PATH

1579SK-LL

SATURN LED PATH LIGHT

With robust aluminum construction of intersecting lines that contrast against an etched opal glass shade, the Saturn LED path light is a stunning modern design that offers light and stylishness to walkways and surrounding outdoor living spaces. This low-voltage path light includes a 2½ in. diameter x 5½ in high etched opal glass shade around an included LED lamp, encased by intricate metal work around the glass.
