SWIRLPOOL™

COLLECTION

## The Swirlpool™ Experience

Inspired by the way water moves in eddies as it circles through brooks and streams, the Swirlpool™ jets move water to promote a feeling of well-being by harmonizing body and mind.

## Illuminated Glass Touch Control

The beautiful, soft touch of the illuminated glass touch control activates the Arga™ experiences and gently pivots to reveal the salt mixing chamber.

## The Swirlpool™ Experience

The Jacuzzi® Arga™ bath entices the senses with a much-needed retreat into calm and renewal. Through the power of Swirlpool™ jets, the soothing sound of swirling water and the lull of a delicate waterfall will coax you into a state of total relaxation.

## Proprietary Salt Infuser

Engage your senses further with Jacuzzi® Epsom salts. The mixing chamber precisely blends the salt with warm water and delivers it gently into the bathwater moving in a circular motion around the bathtub; a true treat for the senses.

## Whisper+ Technology®

Surrender to tranquility as the caress of always-warm water through Whisper+ Technology® which allows you to hear only the peaceful sound of a slow-moving stream.

## HERITAGE

The Jacuzzi family's critical need to change the life of a child triggered a revolutionary innovation in hydrotherapy. More than 60 years later, that spirit of innovation for the benefit of wellness lives on with the introduction of our new Swirlpool™ bathing experience.

## INDULGE IN A NEW BATHING EXPERIENCE

We set the standard by which all hydrotherapy is measured, so it's only natural that we would bring a new hydrotherapy experience to the home. In line with our mission to provide rejuvenating and refreshing hydrotherapeutic environments that revitalizes both body and spirit, we proudly offer bathtubs featuring the new Swirlpool™ experience.

The Swirlpool™ experience combines the benefits of Epsom salt and quietly-swirling, heated water. Delivered through a proprietary salt infuser, Epsom salt helps you recover from physical activity, soothes sore muscles, eases aches and pains, softens skin and relieves stress. With the new Arga™ collection, indulgence starts here.
