DESCRIPTION

With Soho tradition meets chic. It has the look of a woodturning style body but it is made of modern polymer with a high gloss finish. The half lamp body construction allows it to have a minimum profile and protrude only 3-3/8 inches off a wall. The white lamp body and finial comes with a white opaque hardback shade with a silver interior lining. The black lamp body and finial comes with a black opaque hardback shade with a gold interior lining. Its aluminum backplate acts as a heatsink to ensure a long life span of it state of the art JESCO AC LED.
