

PART NO. A04012

12" X 12" NATURAL POLYSTYRENE ACCESS PANEL WITH COUNTERSUNK SCREWHOLES

- Provides easy access for future repairs and maintenance to plumbing or electrical wiring behind the wall
- Quick and easy installation
- Countersunk screw holes in corners for wall surface installation - No framing needed
- Constructed of high-impact, semi-transparent natural polystyrene material
- Beveled edge design for a smooth transition from the panel to the wall
- Do not install near an open flame or in an area of excessive heat. Check local building codes for acceptance.
- Overall dimensions 12" x 12"
