

PART NO. S04030

1/2" CHROME PLATED TOILET RISER WITH FLAT HEAD

- Corrosion resistant chrome plated finish
- Used to connect toilet supply valve to 7/8" toilet fill valve inlet
- 1/2" OD
- Flat head forms a complete seal to protect from leaks
- Flexible riser can be gently bent to shape without breaking
- Constructed of flexible annealed copper
- Open end can be cut to perfect length
- The flat head attaches to the toilet with a 7/8" slip-nut (not included)
- For use in potable water distribution systems in accessible locations only
- Lead Law Compliant
