

## The Lacuna Switchable Flush Mount

Effortless Design, Easy Install, Everyday Comfort.

Transform any room with the Lacuna Switchable Flush Mount by Juno Lighting, designed for both style and performance. The Lacuna blends simplicity and style, complementing any space with its clean aesthetic and brushed aluminum or black finishes. With 5CCT switchable technology and an easy “Twist-and-Go” installation, it offers a versatile, hassle-free lighting solution that provides even illumination. The Lacuna features a distinct uplight halo adding a subtle, unique glow that enhances the atmosphere of any space.

- **Switchable Technology** – 5CCT color temperature adjustments ranging from 2700K (Warm White) to 5000K (Daylight). Too warm or too cool? Simply toggle the integrated switch to your desired setting!
- **Easy to Install** – Features a Twist-and-Go Installation system, saving time and resources, appealing for both professionals and DIY enthusiasts.
- **Even Illumination** – Designed with secondary optics that aids in glare reduction and creates an improved, consistent illumination.
- **Uplight Halo Effect** – Emits low illuminance through trim design openings to create ambient lighting.

### Ordering Information
