

# Oxford 1 Light Foyer

SKU: 2700OB

## Product Details

### Description:

The Oxford Collection was inspired by hanging, spiral wind spinners often hung from trees or eaves. The shapes are hand-forged to look as if they are actually swirling in the wind as you move around them. Available in three of Kalco’s exclusive finishes, this collection is designed so it can be used with ecofriendly, energy saving LED PAR Lamps (actual lamps not included.) This whimsically sophisticated collection will be sure to make a statement.
