

<p>Record your model number below for future reference:</p>	<p>Important Information Observe all local plumbing and building codes. Your product may appear different than illustrated. The installation steps still apply. The trip lever is designed to be in the vertical position when not in use.</p>	<p>1 Disconnect the flapper ball chain and loosen the locknut.</p> 	<p>2 Remove the existing trip lever.</p> 	<p>3 Slide the escutcheon up the new trip lever arm and onto the bushing, with the "UP" arrow facing the correct direction.</p> 	<p>4 Insert the trip lever arm through the hole in the tank, making sure that the trip lever is facing downward and swings counterclockwise.</p> 
<p>5 Ensure that the ribs on the bushing are positioned on the top and bottom.</p> 	<p>6 Turn the locknut counterclockwise to secure the trip lever.</p> 	<p>7 If the lever does not rotate freely, remove the locknut and install the spacer with the arrows oriented upward.</p> 	<p>With the spacer installed, retighten the locknut to secure the lever.</p> 	<p>8 Hook the flapper ball chain to the arm.</p> 	<p>9 Check for smooth operation.</p> 

FIVE-YEAR LIMITED WARRANTY

All Kallista products carry Kallista's five-year limited warranty unless otherwise noted.*

Kallista products are warranted to be free of defects in material and workmanship for five years from the date of installation.

Kallista will, at its election, repair, replace or make appropriate adjustment where Kallista inspection discloses any such defects occurring in normal usage within five (5) years after installation. Kallista is not responsible for removal or installation costs. Damages due to improper handling, installation or maintenance are not considered manufacturing defects and are not covered by this warranty. This warranty is valid for the original consumer purchaser only.

To obtain warranty service, contact your Kallista Authorized Showroom.

Products must be maintained and cleaned in accordance with the care and cleaning instructions provided by Kallista. Improper care or cleaning, including damage from the use of abrasive chemicals, will void this warranty. Gloss reduction, scratching, staining and alkaline etching of finishes over time due to use, cleaning practices or water or atmospheric conditions, are not manufacturing defects but are indicative of normal wear and tear. Use of in-tank toilet cleaners will void the warranty.

Implied warranties including that of merchantability and fitness for a particular purpose are expressly limited in duration to the duration of this warranty. Kallista and/or seller disclaims any liability for special, incidental, or consequential damages.

Some states/provinces do not allow limitations on how long an implied warranty lasts, or the exclusion or limitation of special, incidental or consequential damages, so these limitations and exclusions may not apply to you. This warranty gives you specific legal rights. You may also have other rights which vary from state/province to state/province.

This is Kallista's exclusive written warranty.

* Kallista's Hampstead and Stafford vitreous products, stainless steel accessories, and wooden accessories carry a one-year Limited Warranty.
