

Karran Sternhagen quartz sinks are exquisitely designed and manufactured from a durable quartz composite material that makes them incredibly tough and resilient to even the toughest daily tasks. They contain 80% natural quartz crystals and 20% high performance acrylic resins making them highly scratch, stain and chip resistant. This easy-to-install vessel mount design is available in a selection of 3 elegant colors. All Sternhagen sinks are designed to be vessel mounted above the countertop, allowing for more storage space in the cabinet below.
